

To Our Mother to Be

Congratulations and welcome to our practice. We would like to help make these next months a pleasant experience.

In anticipation of your first visit, we are providing you with information, including:

- What you can expect
- A brochure about Chester County OB/GYN Associates
- Frequently Asked Questions
- Financial Matters,
- A prescription for vitamins which you should fill as these are important for both you and your baby, and
- A registration form and medical history that you should complete prior to your visit. If you have medical records from another physician that would be helpful for us to have, please provide us with a copy.
- An appointment reminder card for your first appointment.

We are here to provide the care you will need during your pregnancy. ***Do not hesitate to call us.***

Sincerely,

All of us at Chester County OB/GYN Associates!

Specializing in obstetrics, gynecology, infertility and urogynecology
